Welcome back from Sooper Bowl madness—Seahawks within only 1 yard of winning! But we will go ahead with the Sons of Norway calendar anyway. Our February 9th meeting features Powell Jones, Executive Director of the Dungeness River Audubon Center at Railroad Bridge Park. His topic is a combination of “gardening for birds” and “backyard birds.” This event is open to the public so invite all your birding friends.

Our January “Pie-Fest” on Monday the 12th turned out to be a huge success. After an enthusiastic kick-start from Art of the Pie guru Kate McDermott, we sampled many different kinds of pies baked by our members. The big crowd included eight visitors—pie bakers who had responded to Elsa’s article in the Peninsula Daily News.

Coming up on March 9th is a presentation by Priya Jayadev, Executive Director of Clallam County Mosaic. This nonprofit organization’s purpose is to serve and support people with developmental disabilities. We will hear about the many diverse programs available to those in need, including lifelong learning, social and recreational activities and caregiving networks. Plan to bring visitors to share in this important program.

Sadly, we recently lost our oldest member, Mary Dahl, at ninety-nine years of age, passed away last week. Her memorial recognition will be held at the Lodge on Wednesday, February 4th, from 2 to 4 pm. For many years, Mary was one of the premier rosemaling artisans among our gifted Norwegian painters. Elsa Johnson reports that her husband Rod has had another stroke this past month and is resting at home in bed. It would be appreciated if those who know him would send along a card of cheer. Elsa would also like the members to make a correction to their Directories with this new telephone number:

360-461-8884

Kathryn Hofer: If you have any of the Lodge’s dish cloths at home for washing, would you please return them! Those who can donate a towel or two, it would be appreciated!
